ASHEVILLE CITIZEN

MONDAY EVEN'G, JULY 27, '85.

-86.00 FER ANNUM-

The rains which have fallen gen- brated on the 8th of August. erally through the State within the past few days, though in the form of heavy local storms or showers, have been blessings not only to health and comfort, but greatly ben- year. eficial to the corn crops. The torrid sun of July very rapidly brings designated by Vice-President Henconditions of drought, and in the dricks as one of the committee dricks as one of the committee this idiotic attempt to force 85 cents' middle section of the State, this is to represent the Senate at the funer-the critical month. The fate of the al of Gen. Grant. This is a most on a level with a dollar in gold is crop hangs upon the wet or drought fitting selection. of less than a fortnight. We learn by the Southerner that the crops of Edgecombe and on the lower Tar, are burned beyond redemption. this matter, and we endorse what it is three years behind with its docket The corn crop there is ruined. In says:

of about eight hundred deaths. This is below the facts, because the statistics of the rural districts are nective are confident that the Capitol would be chosen for the principal usues of the rural districts are necessarily imperfect. Strange to say, the pestilence has taken hold no where else. There is now a probability that it will be confined to Spain, though two hot months are yet to pass through, and they are the most insalubrious of the year.

We are confident that the Capitol would be chosen for the principal among several reasons, that Washington is more than any other city that Gladstone's throat affection is an obstinate cetarrh of the larynx, and enjoin entire rest.

Throat disease specialists decide that Gladstone's throat affection is an obstinate cetarrh of the larynx, and enjoin entire rest.

All Linen Lawn, India Linens, English and French Nainsooks, Striped and Plaid Nainsooks, Figures, Embroidered Edgings and Insertings, Allover Embroideries and the public.
